Join the library for a magical party inspired by the Wizarding World of Harry Potter!

It's for ALL AGES! ANYONE is welcome to join us! There will be game/activities, crafts, snacks & more. The library will be turned into Hogwarts for this occasion. Try out Herbology & Divination with crafts, make your own wand at Olivanders, & even get sorted into your house with the sorting hat & get your very own house tie. There will also be free take home activities as well. We hope to see you there!
